Aged Care Options Guide

Information to help families compare in-home aged care and community supports.

Care Options

- Personal care, domestic assistance and companionship.
- Transport, meal support and help with appointments.
- Flexible private care and coordinated ongoing support.

Choosing Support

- Consider safety, independence, routines and family involvement.
- Review the level of care needed now and what may change over time.
- Ask providers how they communicate care changes and updates.

Need help?

Call 1800 527 227 or email info@kb7care.com.au to speak with the KB7 CARE team.
